March 2018

From the President

Hello Everyone,

I want to make sure that everyone looks at the announcement inside on the change to the locations of the parking lot for the Governors Ride. With that, PLEASE be safe with your rides, collection points and don't forget to talk to your city, county, and state authorities so we are complying with their requirements.

As I look in the past few issues, at all of the events that we have listed, I hope everyone is enjoying them as well as they are a success. With Ride Day being early this year we still have time to get a few in before the end of our fiscal year. I'm looking forward to seeing everyone Ride Day.

Tim Allen, President

In Memory

Our condolences to the family of
Jeff "Bubba" Wildt
Thank you for all you have done.

Saleable Items

We still have several items in stock and available for county events or if you would like to have something we have before ride day contact Charley Scarlett for a current list at chscarlett@eastersealsia.org or call 515-309-9779. Please bare with us has we rebuild the Items page.

Due to John Deere's increase in production we will be moving to a different starting point for our Governors Ride. The location for this year is straight EAST from past years. Now on the SE corner of SW State St & SW Ordinance Rd.

See map below for those of you that are not familiar with the area. The Red marked lot from past, the Yellow shows this years area. As this lot is smaller we will need to move the trailers to camp promptly, to make sure we have room for the next group.

This is part of John Deere so Please adhere to their guidelines, NO alcohol and clean up as best as possible.

Thank you for your understanding and cooperation.
