

We have recently been notified that beginning April 1st, Iowa DOT will be removing the exit ramps off NW 2nd Ave. & NE 66th Ave. This means there will be no way to enter camp from the west as NE 66th will be closed west of the camp entrance. Everyone will be able to enter from the east as the closure will begin west of the camp entrance. With this, we have been given permission to start our parade at Polk County Public Works facility at NE 58th and NE 14th St. We will need to enter their facility from NE 58th. **PLEASE do not enter from NE 14th St.** as we need to keep this open for the Sheriff's department. Rides #1, 4 & 10 that have their relay into John Deere will be able to end in the same lot as last year, on the SE corner. Please see the map below of this year's staging area and route for the parade ride.

Also new this year, everyone will be required to sign a waiver upon arrival that the county attorney will be sending to us, due to our utilizing a county facility.

Last but not least, please remind everyone there is no drinking and on county property and no smoking as well.
