Primitive camping with horses at your trailer in the field east of the rodeo arena (contestant parking)

Horses can be tie to the inside of the rodeo arena fence. We can use the back pens on a 1st come basis.

Horse tie-outs in Cattle Barn, and we can back up to the barn in the high-lighted area (south side). (Electric in barn) Please clean up after your horse and pile it at the east end of the building inside.

There will be designated areas by the fair board for you clean up after your horses!! And the fair board will haul off from there!

Camp sites are available in the campground with electricity at each camp site.

NO HORSE ALLOWED!!

Make sure to pay your fee if you plug it into electric in any area. You can find the pay envelopes at the entrance to the campground by the shelter.
